

P R O C L A M A T I O N

I wish to call the attention of the citizens of South Dakota to the Forty-fourth Annual State Fair, which will be held at Huron, September 10th, 11th, 12th, 13th and 14th.

Each year the display of resources and products of the State, educational features and entertainment have been greatly improved upon and made larger and more interesting until now our State Fair ranks among the foremost exhibitions of this kind in the Nation.

This event, by demonstrations and lectures, gives our people a chance to become better educated in their individual line of work and in this way the standard in their particular endeavor will be improved. At the same time it affords them an opportunity to meet and mingle together and to view the resources and products from different sections of the State than in which they themselves live.

The entertainment features this year greatly exceed any that have ever before been offered. More attention will also be given to the Women's Department, and practically every subject of feminine interest will be included in the numerous demonstrations and exhibits. The same is true of the Boys' and Girls' Club work, which, I feel, is one of the most worthwhile activities carried on in connection with the State Fair. In short, the event this year promises to be the best in the history of the State and offers varied and interesting entertainment that will be thoroughly enjoyed by every member of the family.

As Governor of South Dakota, I, W. J. Bulow, do proclaim State Fair Week as SOUTH DAKOTA'S VACATION WEEK, and urge all of our people, so far as is possible, to lay aside their labors, and attend the Fair, and in so doing demonstrate by their presence their interest in, and loyalty to South Dakota and its wonderful resources and various activities.
